

# LOKA AND THE MOONSHINERS

## BIO

FR

*LoKa and the Moonshiners* (tropical garage psych, freak folk)

Né du désir d'explorer des territoires où se rencontrent rock garage, mutuashi congolais, musique répétitive et aussi une certaine mélancolie pop, *LoKa and The Moonshiners* cultive ses riffs hypnotiques dans cette vibration « voodoo » dont la flamme musicale a toujours été entretenue depuis *The Seeds* jusqu'à *The Night Beats*.

Après un single sorti sur la compilation *The Psychedelic Underground Generation*, un EP est en préparation.

*LoKa and the Moonshiners* est finaliste Concours-circuit 2018.

ENG

*LoKa and the Moonshiners* (tropical garage psych, freak folk)

Borned from the desire of exploring territories where garage rock meets Congolese mutuashi, repetitive music and a kind of pop melancholy, *LoKa and the Moonshiners* cultivate his hypnotics riffs in this "voodoo" vibration whose musical flame has always been maintained from *The Seeds* to *The Night Beats*.

After the release of the single "Innerspace #1" within *The Psychedelic Underground Generation* compilation, a EP is planned.

*LoKa and the Moonshiners* is finalist of the *Concours-circuit 2018* contest.
